As each one has
received a gift,
minister it to one
another, as good
stewards of the
manifold grace of God.
1Petr 4:10

Dear Brother, dear Sister,

you might not have realized it but in your hands you are holding a treasure box! In there are a lot of precious gifts. These gifts are from God Himself. He has been giving His gifts to men and women in this country over many years. Some of them did not hold back their gifts, but passed them on to us - in writing. That is how "the manifold grace of God" has reached us even if we might never have met the authors personally.

Once you look through this catalogue you will confirm: We are truly blessed! Such a wealth of tools, of encouragement, of models, of help to us and our children! We never thought we were so rich! Let us make sure that every person in this country gets access to this "OUR LITERATURE"!

"OUR" means - books we as Evangelical believers have helped to publish, whether as churches, or missions or Christian ministries. We are close enough in our convictions that we want to learn from each other. And we want to serve others with what the Lord has entrusted to us. We also should know what the other one does in order to avoid wasting our resources. Not every group needs to print books with again the same content. In all of this it is clear that we will follow the example of the Bereans "who received the Word with all readiness, and searched the Scriptures daily to find out whether these things were so" (Acts 17:11).

This edition of the Catalogue is designed for leaders, shop keepers, agents - anybody who is interested to buy books and resell them in their churches and communities. So you will find the official prices of the publishers, not the retail price on the street.

In addition this is a "Draft Edition" - which means that we can not give a guarantee as to prices, availability or any other details that are given in here. We would be most grateful to receive any corrections that will help us when printing the final version in a few weeks time.

May God bless His Church as it grasps the wealth of opportunities opened up through this publication!

6. Beauty's guilty feelings prevented her from stopping Paul when she knew she should. Why does guilt play an important part in how we act and react – whether in the area of sex or otherwise? (Romans 8:9-16)

A Big Price to Pay

Paul felt ashamed that he had broken his vow not to have sex until he married, but the fact that it was with Beauty made him feel better about it – after all, they planned to marry. But he resolved it would not happen again, and he tried to see less of Beauty and to make sure they were always in a group and not alone. He got a temporary job in a local company while he waited for his UNZA results. Two to three months later, Beauty's fears were confirmed – she was pregnant – and devastated! She told Paul, who also was very sad that such a thing could happen. His immediate thought was that she should have an abortion. That way the problem would just go away. They discussed this together. Beauty was against the idea, as she knew of school friends who had died or had big complications from having an abortion, so they resolved

not even to consider that, but to continue with the pregnancy. The UNZA results came out and Paul had done excellently and secured his job with the Company and was sent to South Africa. He was delighted, but at the back of his mind there always was Beauty and now, their child. He left Beauty with these words, "I will come back to your parents and explain everything. I WILL marry you. So hide the pregnancy until I come. If they find out, tell them it is me and I am ready for the consequences." Beauty agreed, but her heart was heavy. How easy was it going to be to hide a pregnancy?

QUESTIONS:

1. The fact that Paul broke his vow with Beauty, whom he planned to marry anyway, did that make things right? (Matthew 5:37)
2. Was it a good idea of Paul's that he should see less of Beauty and always in a group with others?
3. Is it possible to get pregnant the first time you ever have sex? Is it also possible to get HIV infection the first time you have sex? In this case, is it possible that either Beauty or Paul could infect the other with HIV?
4. What do you think about abortion? Would that have been the solution to their problem? (Exodus 20:13; Matthew 15:19)
5. What thoughts do you think were going through Paul's mind as he set off for South Africa? What do you think he should have done? (Genesis 31:27-31; Leviticus 19:11)
6. If you were Beauty, would you have agreed to this plan? What should she have done?

A Plan to Deceive

Chris returned from his course and knew nothing about Beauty and Paul and they continued to see each other. One day he suggested to Beauty that they complete their relationship by having sex. Beauty was not at all sure – she was afraid of the pregnancy. She asked for time to think about it. At home she asked

A SHORT FAMILY HISTORY

I was born in Kitwe and did my primary and secondary education there. Afterwards, I did a teacher training course at Kitwe Teachers' Training College, and in May 1982 I graduated with a Teacher's Certificate. Since then I have worked as a primary school teacher.

My husband, Godfrey, was born in a village in Eastern Province, where he did his primary education. His father died when he was very young and he had a very hard life living with an uncle. When he could take no more, he managed to run away to another uncle who lived in Kitwe, where he was able to live a normal life.

Godfrey had a Catholic background, but was born again and joined a church in Kitwe. He later joined the church where I worshipped. We first met in 1983, and he made it obvious from the start that he was interested in me. It was not long before he told me he wanted to marry me. I told him we could not marry as we hardly knew each other, so he said he was not in a hurry and would wait. He was good looking, but very tall, and as I was quite short, I thought his height made him unsuitable for me! When I explained this to him, he assured me that it did not matter to him; he loved me just as I was. After he assured me of his love, I felt free to get into a serious relationship with him, and we married in 1984. We had a small wedding, attended by a handful of people.

Our first daughter was born in 1985 and our second in 1988. Life was never the same when my husband went to be with the Lord in 1989.

How would you prefer to make disciples in your church - with or without Christian books?

Which Christians do you expect to grow stronger - those who read or those who don't?

Really?
Are you sure?

Then listen to the Lord Jesus:

“Now that you know these things, you will be blessed if you do them.”
